Hello Dr. Bashir,

My name is Camellia Haghverdian and I am a sociology graduate student at UC Merced in the US.

I am making data inquiries into research that examines the challenges of international graduate students in North American universities, and am currently beginning my statistical review of data sources to explore trends and patterns in international students' experiences.

I have reviewed some of your work and was curious if there is **source data and analysis code that are publicly available?**

The specific article and associated data I'm inquiring about is:

Thanks for any clarification you can provide and your time,

Camellia Haghverdian
